

New Wide Format Scanner Generation

KIP 2300

- Original documents face-up or face-down scanning.
- Scan original documents till 16 mm thickness.
- Automatic original width detection (1 pixel).
- KIP patented HIL interface (High-speed Image Link) providing high speed colour scanning
- 2 choices: Stand alone version or scanner fully integrated with a KIP printing system.

The KIP 2300 scan system covers the full range of monochrome and color applications, from basic to advanced, while handling the work of two scanners from a single unit.

KIP introduce its new wide format scanner generation with the KIP 2300. The KIP 2300 color and monochrome scanner provides high demand users with a unique combination of maximum speed and high resolution. Fully integrated with KIP and inkjet printers, the KIP 2300 scan system provides a full suite of state of the art software for color and monochrome copying and scan-to-file operations.

True 600 x 600 dpi optical resolution scan quality is delivered from KIP unique optics technology. Moreover, KIP patented High Speed Image Link and Automatic Document Width Detection provide seamless workflow and allow users to scan color documents without stopover.

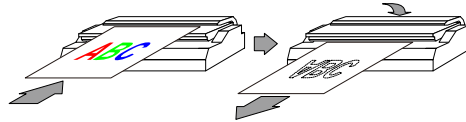

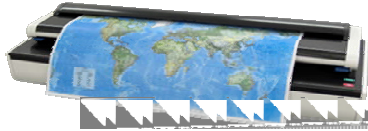

KIP EXCLUSIVE FEATURE
Print from or Scan to USB drives

The full spectrum of monochrome and color documents can be reproduced with the KIP 7900, KIP 7700, KIP 9000 & KIP Color 80.

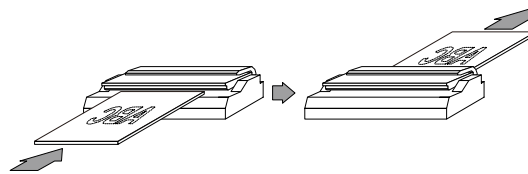

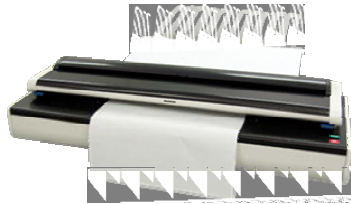

KIP

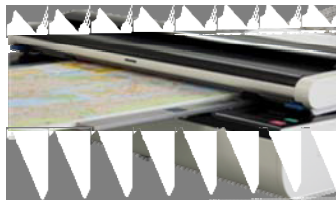

Face-up scanning

Face-down scanning

Board scanning (till 16 mm thickness)

KIP 2300 Specifications	
Type	Desktop scanner
Scanning Method	Document feeding (Face-up, Face-down feeding)
Sensor	CCD
Light source	LED
Optical Resolution	600dpi
Digital Resolution	100 - 2400dpi
Maximum scan width	36"(914mm)
Maximum original width	42"(1066mm)
Maximum original thickness	0.63"(16mm) - Only face-down scanning
Data capture	24bit RGB 8bit / 4bit Gray 1bit monochrome(Black & White)
Speed	2,5 A0 / minute - color (600dpi) 6,4 A0 / minute - monochrome (600dpi)
Interface	USB2.0 High-speed Image Link (PCI-Express x1)
Size	W1,366 x D480 x H310mm
Weight	70kg approx
Power	100 - 240V AC
